

Last Chance- 5/14/19

You will be dismissed from class at 2:15 p.m. If you choose to stay longer, that is fine, just check out with Bill at the front door when you leave if it's during school hours. You are responsible for your own transportation. Camp will be on the east side by Kiwanas Ave. The forecast calls for warmer temperatures and you should be prepared for that. Take advantage of one last opportunity to better your placement for the state meet. #trusttheprocess
